**PEOPLES GAS SYSTEM’S
NOTICE OF INTENT TO REQUEST CONFIDENTIAL TREATMENT**

Pursuant to Sections 366.093 and 119.07, *Florida Statutes* and 25-22.006, *Florida Administrative Code*, Peoples Gas System (“Peoples”) submits the following Request for Confidential Treatment of Response Number 7 of Peoples’ Response of December 3, 2019 to Staff’s Request for Information dated November 1, 2019 (the “Response”).

1. Attached hereto as Exhibit A is a copy of the Response with portions redacted.
2. The material for which confidential classification is sought is intended to be and is treated as private by Peoples and Pool Managers and contains proprietary confidential business information under Section 366.093(3), *Florida Statutes*.
3. Peoples requests that the information for which it seeks confidential classification not be declassified until 18 months after the date of the Commission’s order granting this request (see Section 366.093(4), *Florida Statutes*). The time period requested is necessary to protect the competitive information (*i.e.*, the number of NCTS customers for each Pool Manager). The period of time requested will ultimately protect Peoples, and its customers, and Pool Managers.

WHEREFORE, Peoples submits the foregoing as its request for confidential treatment of the information identified in Exhibit A to this request.

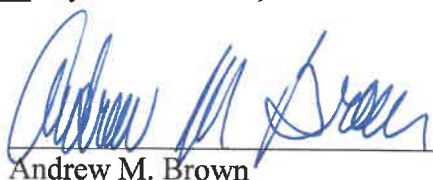

Respectfully submitted,
