First Coast Regional Utilities, Inc.
RATES & RATE STRUCTURE

1. Does the Utility anticipate a seasonal customer base.

RESPONSE:

The Utility does not anticipate a seasonal customer base.

MISCELLANEOUS SERVICE CHARGES

2. The Utility requested a violation charge at actual cost. Pursuant to Rule 25-30.460(1)(c), F.A.C., it is appropriate for the violation reconnection charge to be actual cost for wastewater service. Please provide the appropriate cost justification for the Utility's requested violation reconnection charges for its water system.

RESPONSE:

For the Water Tariff, the violation reconnection charge should be \$30.00, the same amount as the normal reconnection for which cost justification has been provided.
