Re: *Fuel and purchased power cost recovery clause with generating performance
incentive factor; Docket No. 20200001-EI/DOAH Case No. 19-6022*

Dear Mr. Teitzman:

On March 20, 2020, Duke Energy Florida, LLC ("DEF") electronically filed its Notice of Intent (NOI) to Request Confidential Classification concerning the confidential information provided in DEF, the Florida Public Service Commission, Florida Office of Public Counsel, Florida Industrial Power Users Group, and White Springs Agricultural Chemicals, Inc. d/b/a PCS Phosphate's Proposed Recommended Orders (PRO) regarding the Hearing held on February 18, 2020 at the State of Florida Division of Administrative Hearings (DOAH) in the above-referenced matter.

As referenced in the Notice of Intent to Request Confidential Classification, enclosed with this cover letter is DEF's confidential Exhibit A (in a separate sealed envelope) that accompanies the above-referenced filing.

The afore-mentioned parties will likewise file their PROs on March 20, 2020, which should also be held confidential and subject to the NOI.

Thank you for your assistance in this matter. Please feel free to call me at (850) 521-1428 should you have any questions concerning this filing.

Respectfully,

s/ Matthew R. Bernier
