A Utility Does Hereby Request An extension of at least 30 days for the March 25 2020 Deadline for a "positive acquisition adjustment Request". It is our intention to file for a "positive acquisition adjustment" do to these unprecedented Times with the COVID19 and partial shut down everywhere it has been harder to get things accomplished like engineering and getting UT contractor bids is difficult as well as getting a broker price opinion on the real estate Value. We Also do Hereby Request Cancellation From the May 5 Agenda Conference until Further notice so we can get through this positive acquisition adjustment Process once we get through this Process and staff makes a revised recommendation then a new date can be set at that time.

Thank You Troy Fonder Pres. of "A utility Inc."
