And for OUC the related information would be as follows:

Hi Orlando,

I'm working on the req to est dkt for the need determination. I notice that AFD and ECO are not shown as OCRs. Should they be added?

Also, Gardner Law Firm is shown as their representatives. Are we just adding the law firm's address, or is there a particular attorney's name, phone number(s), and email address that need to be listed? If so, please provide that information as well.

Thank you for your help!
