Re: Docket No. 20190110-EI; Petition for limited proceeding for recovery of incremental storm restoration costs related to Hurricane Michael and approval of second implementation stipulation, by Duke Energy Florida, LLC..

Dear Mr. Teitzman:

Enclosed for filing in this docket on behalf of the Office of Public Counsel ("OPC") is one (1) copy of the direct Testimony of Hellmuth Schultz including exhibits ("Testimony").

In advance of this filing Duke Energy Florida, LLC. ("DEF") has filed a timely Notice of Intent to Request Confidential Classification for the portions of the Testimony it claims as confidential. Due to the claim of confidentiality related to some of the information that the OPC has informed DEF will be included in the testimony, DEF has asked that this filing be made as confidential in its entirety. It is the OPC's understanding that DEF will make the appropriate filing(s) to designate and justify its claim of confidentiality for specific confidential information contained in the Testimony. Once that filing is made with the Commission, this filing can be returned to the OPC and the highlighted and redacted copies of the same can be maintained on file by the Commission. OPC's treatment of the information claimed as confidential does not waive any objection to such claim of confidentiality OPC may have.
