Pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company (FPL) requests confidential classification of certain information provided in response to Office of Public Counsel's (OPC) first request for production of documents (POD), numbers 1 and 3, second request for POD, number 18, fourth request for POD, numbers 58 and 60, and fourth set of Interrogatories, number 150.

The information for which FPL seeks confidentiality can be described as internal auditing procedures, with contractors' names and account numbers, internal inspection procedures and processes, internal financial data, and a vendor contract with prices for service. Staff has reviewed the information that FPL has filed, as well as its confidentiality request, and believes the information that is the subject of the request meets the criteria for confidentiality under the sections requested.
