Good Afternoon, Mr. Axelrad.

We will be placing your comments below in consumer correspondence in Docket Nos. 20200053, 20200054, 20200055, and 20200056, and forwarding them to the Office of Consumer Assistance and Outreach.

Thank you!

Toni Hover

Subject: Docket Nos. 20200053, 20200054, 20200055, and 20200056

Dear Commissioners,

I teach climate change science to graduate students.

Why is this relevant? You have an important decision on July 7th when you consider approval of proposed energy efficiency programs for the state's biggest power companies.

I disagree with PSC staff recommending scaling back proposed energy efficiency programs.

Therefore, I ask that you reject your staff's recommendation and ensure that each utility is putting forth robust efficiency programs – especially for its most vulnerable customers.
