COMMISSION

Ms. Calhoun,

I was told by Gulf Power that the Hurricane Michael Storm Cost Recovery hearing will not be heard until Sept. 1st & 2nd 2020. I was told by Gulf Power the actual cost was less than they had anticipated. The cost of our power has risen 42% and is harming our business. We are a small business in a very competitive market. We ask the PSC to move this hearing forward as much as possible. Now is the time to act. We look forward to your prompt attentions to this matter.

Truly,
David McCurdy
