Re: Docket No. 20200051-GU – Petition for rate increase by Peoples Gas System

Dear Mr. Teitzman:

Enclosed for filing in this docket on behalf of the Office of Public Counsel (“OPC”) is a confidential version of the direct testimony and exhibits of Andrea C. Crane.

The testimony and exhibits of Ms. Crane contain information that Peoples Gas System (“PGS”) has asserted to be confidential. Today, OPC is providing the testimony and exhibits of Ms. Crane to PGS for its review. It is our understanding that PGS will redact the material it claims to be confidential, and return a redacted version of the testimony back to OPC for filing with the Commission. It is also our understanding that PGS will provide its request for confidential classification, including the highlighted confidential material and the accompanying detailed justification, in a separate filing. OPC reserves its right to challenge PGS’s claims of confidentiality at the appropriate time.

If you have any questions or concerns, please do not hesitate to contact me. Thank you for your assistance in this matter.

Respectfully submitted,

J. R. Kelly
Public Counsel
