CUSTOMER COMMENTS
I have never had water so bad in all my life! We are lucky if we get 4 months per year with good water and by that I mean for bathing only! No one I know, if in this development drinks the water. It usually smells either like rotten eggs or bleach. It is <u>very</u> expensive to buy bottled water. We pay enough for our water, considering we can't use the water for drinking or eatings. East Marion Util. should be ashamed to ask for a raise considering what we go through here!
