COMPLAINT INFORMATION

Complaint: Other Complaint against Utilities, Inc. of Florida
Details:

This is a complaint regarding "Docket No. 20200139-Ws.(Notice of Interim Rate Increase. During the middle of a once in a 100 year Pandemic you have decided to increase the rates again. I along with other concerned consumers protest the increase and demand that you re-consider your action. Over 30 million individuals have lost there jobs and 100's of thousands can not make there rent or house payment and you have the nerve to raise your rates. I find it unchangeable.

Stop the increase and do the right thing.
