Subject: Protect our solar rights! Docket: 2020-0000

Dear Florida Public Service Commission,

I ask that you preserve solar net metering. This is very important to all residents and businesses in Florida. Solar energy helps many save on energy costs. And on hot summer days, it helps all in Florida have enough energy to keep the electricity running at regular need. Solar net metering allows this to happen.

Thank you

Sincerely,
Ann Pelishek
