Subject: opposition to storm protection plans

I oppose the storm protection plan proposed. I am a senior on a fixed income and regard these proposals as unwise and unfair because:

- The SPPs are not strategic, and do not consider any modern options for reducing grid dependence, such as: solar, batteries, or a more decentralized electricity system.
- None of the SPPs complied with the PSC's own Rules (25-6-030) for such plans.
- Please do not implement them
