CUSTOMER COMMENTS

Shame on Utilities Inc., serving its customers
reclaimed, chemically waste water, for
drinking water & other necessities. Before
the repiping, my neighborhood enjoyed spring
water, and now we have to ~~buy~~ ^{pay} water and
pay Utilities Inc. too!!! What extortion!
The State of Florida had the best & still
have the best spring water in the world. Until
big business decided to make a profit. Again,
Shame on Utilities Inc. raising its prices for
such low quality water service. I have had to
buy a water filter system to ensure purer drinking
water & still Utilities Inc wants blood out of a turnip!

FOLD & TAPE - See back for address

we need a fire hydrant & they haven't provided one.
But, more money, always more money to feed their greed.
