CUSTOMER COMMENTS
I Will Never be for an increase in water or sewer rates in a system where I'm forced to pay base water and base sewer rates for 6 months out of the year when I use no water or sewer. I don't mind paying for reuse as it stays on and is in use the whole year.
When I leave my residence up north for 6 months at my Florida residence, the water company shuts off my water at the street and a \$2500 disconnect fee is charged and since the sewer bill is based on water usage, I have no sewer bill for 6 mos. When I return I have a \$2500 reconnect fee for a total cost of \$5000 for the 6 mos I'm away. By contrast I pay \$223 ⁶² / ₁₂ for the six months I'm away from my residence in Florida. Therefore as I stated in the beginning, I feel I'm paying too much now. So I'll never be for an increase.
