CUSTOMER COMMENTS	
1. EAGLE PRESERVE Community was built in the 1990's. Twenty five years plus and we continue to pay fees for facilities paid for many times over.	* [Handwritten mark]
2. Our Waste water costs for our 2000 gals use per month is more than what we pay for our water use. We conserve our water use by Zero Use Landscaping.	
3. We estimate that our use of water for drinking, cooking, watering plants and outside use (washing drive/curbs etc) is is probably half of our monthly consumption yet we pay Sewage on Total.
