CUSTOMER COMMENTS

I am 82 and my husband is 87. Isn't there
something you could do to give us a
discount similar to that given by many
to veterans. Our water bill is now higher
than our electric bill and we are finding
the financial pain of everything rising.
We live in an over 55 neighborhood and
don't know how we can reduce our
usage since we are home much more
because of Covid-19. An increase at
this time will hurt many people. We
all need to look to ways to decrease costs.
