BACKGROUND

McLeod is a Class C utility providing service to approximately 96 water customers in Polk County. On June 19, 2020, McLeod filed its application for a staff-assisted rate case to recover the costs of replacing a well house, implementing a meter replacement program, and to account for increased operating expenses. McLeod's rates and charges were approved in its last staff-assisted rate case in 2002. Additionally, according to McLeod's 2019 annual report, total gross revenues were \$33,563 and total operating expenses were \$41,418.

The results of staff's preliminary investigation are contained in a staff report dated November 13, 2020. Copies of the staff report and the Utility's application for a rate increase is available for review by members of the public by visiting <http://www.floridapsc.com/ClerkOffice/Docket> and entering 20200168 in the docket number search field.
