CUSTOMER COMMENTS

UTILITIES, Inc has already Tripled rates from
average of 21.00 mo/Tonow 61.00 mo for some usage. Now
they want an additional 20⁰⁰ mo in 2021.
Tell me, UTILITIES, Inc, what necessary evolving
customer expectations are you experiencing, what
change in regulations caused an increase and what
increased operations requirements did you
experience that is necessary to providing the
same quality service that we were receiving at
the lower rates. Sorry I can't attend the
hearing to ask you.
