Re: Docket No 20200226-SU - Application for certificate to provide wastewater service in Charlotte County by Environmental Utilities, LLC

Please be advised that I, Lou Ellen Wilson, President of WBW Properties, Inc. owner of 65 Palm Drive, Placida, Fl. 33946 urge the Commission to approve the reference application.

There are many reason to approve; however the most important is to eliminate the chemicals that are leaching into the water tables from the septic tank systems on the island which are being over burdened by the number people that are either living and/or visiting the island each week.

Your consideration is appreciated.

Sincerely,

Lou Ellen Wilson
