Mr. Skinner,

Thank you for your email expressing your concerns about the rate increase petition filed by Utilities, Inc. of Florida (UIF). To ensure that the Commission staff and the Commissioners have knowledge of your concerns, your email is being placed on the correspondence side of the docket file for all to review.

Thank you,

Thank you for letting us express our concerns over the pending increase. I would like to suggest one reason the increase is not necessary is that there have been numerous multi-housing units built in the last two years plus new homes which means Utilities, Inc. has benefitted from this with new costumers. Please keep the rates at the 12/31/2019 rates.

Thank you,
