Hello-- My name is Carla Jerez of 7775 Tatum Waterway Drive Apt 7 Miami Beach FL 33141. I am speaking against the proposed increase in electricity costs by FPL. Many community members are struggling to catch up with rent after the pandemic, and this 20% increase in basic utilities threatens to put my neighbors in extreme poverty, facing even houselessness. FPL has the opportunity to find more cost effective ways to produce electricity, instead of putting this cost on our struggling communities, families, businesses, and individuals. Thank you.
