Re: Docket No. 20210015-EI; Notice of Service of the OPC's Response to Florida Power and Light's Second Request for Documents (No. 2).

Dear Mr. Teitzman:

Enclosed for filing in this docket on behalf of the Office of Public Counsel ("OPC") is the Notice of Service of the OPC's Response to Florida Power and Light's Second Request for Documents (No. 2), propounded on June 22, 2021.

Due to the highly sensitive nature of the confidential information in the work papers of Ralph Smith's testimony, OPC has informed FPL that only one copy of the workpapers will be provided to FPL and will not be served on other parties or Commission staff. Parties and Staff should contact FPL to make the arrangements to gain access to the confidential documents. The public version of these responsive documents will be provided to parties by OPC after review by FPL and redacted, public version is provided to OPC. The workpapers of all other OPC witnesses are being served on Parties and Staff.

OPC's treatment of the information claimed as confidential does not waive any objection to such claim of confidentiality OPC may have and assert under the provisions of applicable statutes rules and orders.

Should you have any questions please do not hesitate to call Patricia Christensen at 850.488.9330.

Sincerely,

/s/ Patricia A. Christensen
