Good morning Chris,  
This email is to confirm our conversation and to inform you that the issue was discussed with TKCB officials today. TKCB will forego inclusion of the pro forma plant adjustment request in this LARI proceeding.  
Thanks

Good afternoon Mr. Small,

Per our telephone conversation this morning, please acknowledge your understanding that the pro forma plant adjustments included in TKCB's LARI application will not be included in staff's recommendation. Staff's LARI recommendation will only reflect the O&M adjustments staff believes to be reasonable and will be limited to a 20 percent increase of annualized revenues.

If you have any questions, please feel free to reach out.

Thank you,
