In re: Petition by Gulf Power Company for Limited Proceeding for Recovery of Incremental Storm Restoration Costs Related to Hurricane Sally.

Docket No: 20200241-EI

Date: January 14, 2022

**GULF POWER COMPANY'S REQUEST
FOR CONFIDENTIAL CLASSIFICATION OF INFORMATION
PROVIDED IN RESPONSE TO THE OFFICE OF PUBLIC COUNSEL'S SECOND
REQUEST FOR PRODUCTION OF DOCUMENTS (Nos. 10, 11 and 34)**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code ("Rule 25-22.006"), Gulf Power Company ("Gulf") hereby files its Request for Confidential Classification and requests confidential treatment of certain documents provided in its responses to the Office of Public Counsel's ("OPC") Second Request for Production of Documents, Nos. 10, 11, and 34 ("Confidential Documents"). In support of this request, Gulf states as follows:

1. Gulf served its responses to OPC's First Set of Interrogatories and Second Request for Production of Documents (including the Confidential Documents) on January 14, 2022. This request is being filed contemporaneously with service of those responses to request confidential classification of certain information contained in its responses to OPC's Second Request for Production of Documents, Nos. 10, 11, and 34 consistent with Rule 25-22.006.

2. The following exhibits are attached to and made a part of this request:

a. Exhibit A consists of a copy of the Confidential Documents, some of which are provided in electronic format on CDs. The information that Gulf asserts is entitled to confidential treatment is highlighted; or, for confidential documents that are being provided in electronic format and are voluminous, and therefore cannot be readily highlighted, Gulf has not highlighted the entirety of the information but has instead added a confidential label.

- b. Exhibit B consists an edited version of the Confidential Documents wherein the information Gulf asserts is entitled to confidential treatment has been redacted. For documents that are voluminous and entitled to confidential treatment in their entirety, a summary page identifying the documents has been added.
- c. Exhibit C is a table that identifies the information designated as confidential in Exhibit A and references the specific statutory bases for the claim of confidentiality and identifies the Declarant who supports the requested classification.
- d. Exhibit D consists of the declarations of Sharon Diaram, Jose Gutierrez and Clare Gerard, in support of this Request.

3. Gulf submits that the highlighted information in Exhibit A is proprietary and confidential business information, and its disclosure would cause harm to Gulf and its customers. Pursuant to Section 366.093, such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

4. As described in the declarations in Exhibit D, the confidential business information includes: information relating to bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms. This information is protected by Section 366.093(3)(d), Florida Statutes. The confidential business information further includes: information relating to competitive interests, the disclosure

of which would impair the competitive business of the provider of the information. This information is protected by Section 366.093(3)(e), Florida Statutes.

5. Upon a finding by the Commission that the Confidential Documents are proprietary and confidential business information, the information should not be declassified for at least eighteen (18) months and should be returned to Gulf as soon as it is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Florida Statutes.

6. **WHEREFORE**, for the above and foregoing reasons, as more fully set forth in the supporting materials, Gulf Power Company respectfully requests that its Request for Confidential Classification be granted. Additionally, Gulf respectfully requests that the Commission, the Office of Public Counsel, and any other party subject to the public records law treat the materials as confidential pending a formal ruling by the Commission or the return of the materials, consistent with Section 366.093(2), Florida Statutes.

Respectfully submitted this 14th day of January 2022.
