COMPLAINT INFORMATION

Complaint: Other Complaint against Florida Power & Light Company

Details:

I just received a bill with an extra 25.00 charge because I use less kilowat, here we are a combat veteran disabled trying to save money ensure my lights are off and trying again to save money. You have just charged me an extra 25.00 because I'm not using enough electricity are you people kidding me. the way this country is going now we trying to pinch pennies and your charging us extra cause we not using enough electricity. Has the Governor of Florida been made aware of your decision to charge us 25.00 extra dollars cause we don't use enough electricity. this is horrible and insane. I will be saving this complaint and forwarding it to the Governor's office. this is horrible.
