Subject: Re: 20220067-GU - We Can't Afford Higher Gas Rates

Chairman Gary Clark,

Re: 20220067-GU

I am writing as a concerned Florida resident. I have seen my gas bill and electricity bill skyrocket over the last year, despite lessening my usage. Many in the panhandle area are now having to choose between paying their electric bill and feeding their families. The price hike is crushing us, and we can't afford to keep bleeding money for smaller and smaller amounts of service delivered.
