CUSTOMER COMMENTS
I inherited a mobile home from my parents this year - 2022. While I understand that prices of everything have gone up, taking 39% & 26% increases on water & sewer lines, respectively seems a bit greedy. Inflation is still single digits so this extremely large increase seems a bit unwarranted.
With the huge number part time mobile home owners in FL - there should at least be a rate for them. I have paid the SV Utilities bill this whole year & have only been in FL using both water & sewer - less than 2 months. Seems unfair to impose such huge rate percentage increases, not only on part time residents, but to everyone.
