Subject: Docket No. 20220001-EI: Reject the new electric rate hikes!

Florida Public Service Commission Clerk,

Docket No. 20220001-EI

I am writing as a concerned Florida resident and a electricity customer. I received notification that FPL, Duke and Tampa Electric intend to increase rates for customers like me.

I urge you to reject these rate increases at this time.

In this current economic climate it's not right to pass on these cost to those who can afford it the least. There's a lot of things beyond your control. This is one of the things in your power. That you do control. Help your fellow Floridians.
