Dear Ms. Maloy:

The Commission's Order PSC-2022-0364-PAA-WU approving the transfer of Water Certificate 430-W to CSWR-Florida Utility Operating Company, LLC ("CSWR-Florida UOC"), also revised the system's miscellaneous service charges, replacing the initial connection and normal reconnection charges with a premises visit charge. As required by that Order, please find enclosed for staff approval a proposed customer notice reflecting the approved charges. If you would like the proposed notice in Word format or if additional information is needed, please contact me at your convenience.

Sincerely,
