Governor Desantis,
In the midst of hardship and sustained losses over the past 3 years here in Florida (and all around the world), FPL has the nerve to try to increase our rates claiming that WE the people are responsible for paying back THEM (FPL) for costs of a natural disaster is tantamount to taxation without representation. I've seen this type of trickery before and it's not right. As if the hard working class citizens of Florida just have extra money lying around to pay more for our energy is taking advantage of US. It's not right. Please don't let this big corporation start skimming more off the top of our bank accounts. It's just not right...
Thank you for your time and consideration.
Sincerely,
Max Schemer

RE: FPSC Inquiry 1415399C

Dear Mr. Schemer:

The Governor's office forwarded a copy of your email regarding Florida Power & Light Company (FPL) to the Florida Public Service Commission (FPSC). The FPSC regulates investor-owned electric, and natural gas utilities throughout the state, and investor-owned water and wastewater utilities in those counties which have opted to transfer jurisdiction to the FPSC. The FPSC has authority in the telephone industry which is limited to the Lifeline Assistance Program, Florida Relay Service, and pay telephone service. We appreciate the opportunity to respond directly to you.

We appreciate you sharing your views regarding FPL's petition for limited proceeding for recovery of incremental storm restoration costs related to Hurricanes Ian and Nicole, by Florida. We will add your comments to Docket No 20230017.

You may review all the information filed for Commission consideration in the above docket by accessing the FPSC website at <http://www.floridapsc.com>. Under the Clerk's Office tab at the top of the page, click on Dockets. Type in docket number 20230017. Click the Search button. Then select Document Filings Index for a list of all filings in the docket. This procedure allows you to view all of the information filed by the utility and other parties in the docket.

If you have any questions or concerns please contact me at 1-800-342-3552 or by fax at 1-800-511-0809.
