CUSTOMER COMMENTS
I don't think this is right. There are times we don't even have enough pressure to take a shower. So therefore you have to stay in the shower longer to get clean and rinse off the soap. It happens way to often. We need better water pressure before they get more money. But you will probably give it to them anyway as we really don't have any say on the matter.

Any email or other correspondence sent to a Florida Public Service Commissioner, or any other public official and/ or employee of the PSC, in the transaction of public business is considered a public record and is subject to Florida's Public Records Law. This means that Florida law generally requires the PSC to provide a copy of any such email or correspondence, upon request, for inspection and copying to any Florida citizen or to any member of the media.
