Details:

I used less KW this month in 2023 than I did in 2022 and my bill is higher. The prices that teco are charging is ridiculous. How can you add on franchise fees and other fees when we have NO OTHER OPTIONS? How is it legal to raise prices this much on top of insurance costs? Why is no one stopping teco from making billions in profits and my bill is \$230 FOR ONE PERSON. I don't cook, don't use the washer/dryer often, don't take many hot showers. Something needs to change.
