Mr. DeSantis:  
Did you think this would not come to the attention of FL voters? Well Sparky, think again.  
If I am aware of this, there are thousands of FL voters who are aware!

We voted for you and we are disappointed to find you are taking large donations from Duke Ele. and Nest Era while you bury the people of IFlorida with future electric bills that will tripple or more. Besides this problem we will probably have to live with future brown outs . These would not be the peoples choice if they knew what you have done. What is the difference between you and Gov.Newsme on this subject????
