Re: Docket No. 20230023 - GU

Dear Mr. Teitzman,

Please find enclosed for filing in the above referenced docket the confidential Joint Post-Hearing Brief of the Office of Public Counsel and the Florida Industrial Power Users Group. This filing is being hand delivered to the Clerk's Office and electronically delivered to counsel for Peoples Gas System, Inc. (PGS).

The brief may contain a very small amount of information that PGS has asserted to be confidential, and PGS has filed a Notice of Intent to Request Confidential Classification of the brief. PGS will redact the material it claims to be confidential and file a redacted version with the Commission. It is our understanding that PGS will provide its request for confidentiality, including the highlighted confidential material and the accompanying detailed justification, in a separate filing in a timely fashion. OPC reserves its right to challenge PGS' claims of confidentiality at the appropriate time.

If you have any questions or concerns; please do not hesitate to contact me. Thank you for your assistance in this matter.
