Item 7

VOTE SHEET

FILED 11/9/2023
DOCUMENT NO. 06011-2023
FPSC - COMMISSION CLERK

November 9, 2023

Docket No. 20230019-EI – Petition for recovery of costs associated with named tropical systems during the 2019-2022 hurricane seasons and replenishment of storm reserve, by Tampa Electric Company.

Issue 1: Should the Commission authorize TECO to implement an amended interim storm restoration recovery charge and modified recovery period?

Recommendation: Yes. The Commission should authorize TECO to implement an amended interim storm restoration recovery charge, subject to refund, and modified recovery period. After the actual costs are reviewed for prudence and reasonableness, and are compared to the actual amount recovered through the interim storm restoration recovery charge, a determination will be made whether any over/under recovery has occurred. The disposition of any over or under recovery, and associated interest, will be considered by the Commission at a later date.

(Continued from previous page)

Issue 2: What is the appropriate security to guarantee the amount collected subject to refund through the amended interim storm restoration recovery charge?

Recommendation: The appropriate security to guarantee the funds collected subject to refund is a corporate undertaking.

APPROVED

Issue 3: Should the Commission approve TECO's proposed amended interim storm restoration recovery charge tariff as shown in Attachment A of staff's memorandum dated October 27, 2023?

Recommendation: Yes. The Commission should approve TECO's proposal to revise the storm surcharge factors and associated tariff, as shown in Attachment A of staff's memorandum dated October 27, 2023. The tariff should become effective the first billing cycle of January 2024 and conclude with the last billing cycle of December 2024. The proposed storm surcharge factors should be subject to final true-up once the final total actual storm-related costs are known and filed.

APPROVED

Issue 4: Should this docket be closed?

Recommendation: No, this docket should remain open pending final reconciliation of actual recoverable storm costs with the amount collected pursuant to the interim storm restoration recovery charge and the calculation of a refund or additional charge if warranted.
