1	Supplemental 2
2	
3	GULF POWER COMPANY
4	SUPPLEMENTAL SURVEILLANCE REPORT INFORMATION
5	COMMERCIAL/INDUSTRIAL SERVICE RIDER
6	DECEMBER 2013
7	
8	CONFIDENTIAL
9	
10	
11	
12	The information below is presented to comply with FPSC Order No. PSC-96-1219-FOF-EI and FPSC Order
13	No. PSC-01-0390-TRF-EI. This supplemental information is to be treated as confidential. For CSA-3, it is
14	estimated that the contract year-to-date revenues, excluding tax and franchise fees, that would have
15	been produced by the application of Gulf Power's otherwise applicable standard tariff rates to the
16	affected load would have been and the second second second than the revenues actually received by
17	Gulf Power pursuant to the executed CSA. Although this dollar amount is required to be calculated and
18	reported, Gulf believes a more accurate representation of the impact of CSA-3 on Gulf's general body of
19	customers is shown in the paragraph below.
20	
21	For CSA-3, it is estimated that the contract year-to-date net benefit to Gulf's customers, as represented
22	by the contribution toward fixed costs associated with sales under CSA-3 which would not have
23	occurred in the absence of CSA-3, is
