RE: Granite Telecommunications, LLC, TX685, Detariff Election and Request for Local Exchange Tariff Cancellation

Dear Mr. Bates:

Pursuant to Florida Regulatory Reform Act¹ and Section 364.04 Florida Statutes, Schedules of rates, tolls, rentals, and charges; filing; public inspection,² Granite Telecommunications, LLC ("Granite") notifies the Florida Public Service Commission of its election to detariff the Company's retail local exchange services. In light of Granite's election, the Company requests cancellation of its Florida retail local exchange tariff, Florida P.S.C. Service Schedule No. 1.

Granite provides services exclusively to larger enterprise subscribers under commercial service agreements, which set forth service rates, terms, and conditions. These service agreements and the ongoing relationship between Granite account managers and their subscriber accounts obviate the need to maintain retail tariffs as the basis for establishing rates, terms and conditions for Granite's competitive services where tariffs are no longer required. Pursuant to Section 364.04 Florida Statutes, service information will remain accessible to subscribers at Granite's web site, <http://www.granitenet.com/>, through commercial service agreements, and through direct contact with Granite account managers.

Thank you for your attention to this matter. Questions may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
