INTERCITY TELECOMMUNICATIONS SERVICES

5 <u>SERVICE AND RATE DESCRIPTION</u> (Continued)

- .6 <u>Miscellaneous Services</u> (Continued)
 - .9 Prepaid Calling Card Services
 - Sprint Prepaid Calling Card Service is an add-on to the interstate offering. Individual cards are specified in Section 6.6.9 of this tariff. Prepaid Calling Card Service allows a customer to pay a fixed dollar amount in advance for long distance calling over the Company's network. The customer will use the toll free number on the card to access the Company's network. The customer can place intrastate, interstate and international direct dial calls. A flat per-minute cost of a call will be deducted on a real-time basis as the card is used until the full amount of the card is exhausted. Fractional minutes are rounded up to the next full minute. The rates for all prepaid calling cards apply 24 hours a day, seven days a week, unless specified otherwise for a particular card. The customer will be notified in advance of the exhaustion of the card. Directory Assistance calls may be placed with prepaid calling cards for which a Directory Assistance rate is specified. The rates paid by the customer until the card is exhausted will be those in effect at the time the card is purchased. The same per minute rates apply when the card is refreshed unless otherwise stated in this tariff. The expiration date is printed on the card. For cards with specific payphone surcharges listed with the card rates, no additional payphone surcharge rates will apply. Calls placed from a rotary phone will default to a Company Operator for calling dialing only. Per-Call Connection Fees and Post-Call Surcharges, if applicable, are listed with each individual prepaid card for which they apply and are assessed for each completed call. When a Post-Call Surcharge applies and the customer has less than the stated surcharge amount remaining on the prepaid calling card, the Post-Call Surcharge will equal the balance remaining on the prepaid calling card.

The following types of calls may not be completed with the aforementioned Prepaid Calling Cards:

- * Calls to 700, 800, and 900 numbers.
- * Calls to Directory Assistance.
- * Operator assistance calls (except for calls placed from a rotary phone as described above).
- * Conference calls.
- * Calls requiring time and or charges.

The cards will be offered to customers on a first come first served basis.
