A monthly service charge that is applied to Customers subscribed to AT&T for long distance services associated with a residential telephone line or billed to a residential account. This charge reflects costs incurred by AT&T of providing in-state long distance service over AT&T's Customers' local exchange providers' networks.

This monthly charge is applied if a customer has AT&T billable charges on their bill, including, but not limited to, monthly recurring charges or minimum usage charges. This charge does not contribute towards any applicable minimum monthly charge.

Customers in AT&T's Lifeline program are exempt from this service charge.
