**A3. BASIC LOCAL EXCHANGE SERVICE**

**A3.1 General**

- .1 This Tariff specifies rate schedules applicable for grades and classes of local exchange service ordered.
- .2 Exchange rate schedules are applied according to the total number of main station lines and PBX trunks in the local service area.
- .3 Exchange Service Areas for each exchange are identified on maps filed in Section A200, Local Exchange Service Area Maps and Descriptions, of this Tariff.
- .4 The rates for service and equipment not specifically shown in this section are presented in other sections of this Tariff. (See Note 3)
- .5 Service charges, as covered in Section A4., are applicable to the provision of basic local exchange service.
- .6 Pursuant to passage of the Telecommunications Access Systems Act of 1991 by the Florida Legislature during the 1991 session, a monthly surcharge shall be imposed on all local exchange telecommunications company customers on an individual access line basis, except that such surcharge shall not be imposed upon more than 25 basic telecommunications access lines per account bill rendered. The Commission shall determine the amount of the surcharge; however, in no case shall the amount exceed 25 cents per line per month. The surcharge shall appear on the initial bill to the customer and itemized at least once annually.

.5 Special Access Services Capable of Using the Local Exchange Network (T)

a. General

- (1) As specified in Section 7.6.9 of the Facilities for Intrastate Access Tariff, when a Special Access Line, IntraLATA Interexchange Private Line or Private Bypass Facility is connected to a device capable of, and for the intention of, completing calls into the Local Exchange Network, there will be an additional Measured or Message charge associated with the flat rate Exchange Service Rate for that device (e.g., the PBX trunk in the case of a PBX). Those customers who intend to use their Special Access, Intra-LATA Interexchange Private Line or Private Bypass Services for the completion of calls into the Local Exchange Network and have Local Exchange Service other than flat rate will be required to convert to flat rate.
- (2) The Measured charge will apply where facilities and equipment are available in the exchange central office. In all other exchange central offices, the Message charge will apply. As facilities and equipment become available in central offices, Measured charges will apply.

b. Application of Additional Measured or Message Charges

- (1) These usage charges are in addition to all other applicable local service rates and charges.
  - (a) Measured Charge, per minute of local usage.....\$ .03
  - (b) Message Charge, per local message.....\$ .12
- (2) Refer to Section 7.6.9 of the Facilities for Intrastate Access Tariff for specific regulations.

A3. BASIC LOCAL EXCHANGE SERVICE

A3.3 Monthly Exchange Rates (Continued)

.56 Special Access Services Capable of Using the Local Exchange Network

(T)

a. General

- (1) As specified in Section 7.6.9 of the Facilities for Intrastate Access Tariff, when a Special Access Line, IntraLATA Interexchange Private Line or Private Bypass Facility is connected to a device capable of, and for the intention of, completing calls into the Local Exchange Network, there will be an additional Measured or Message charge associated with the flat rate Exchange Service Rate for that device (e.g., the PBX trunk in the case of a PBX). Those customers who intend to use their Special Access, Intra-LATA Interexchange Private Line or Private Bypass Services for the completion of calls into the Local Exchange Network and have Local Exchange Service other than flat rate will be required to convert to flat rate.
- (2) The Measured charge will apply where facilities and equipment are available in the exchange central office. In all other exchange central offices, the Message charge will apply. As facilities and equipment become available in central offices, Measured charges will apply.

b. Application of Additional Measured or Message Charges

- (1) These usage charges are in addition to all other applicable local service rates and charges.
  - (a) Measured Charge, per minute of local usage.....\$ .03
  - (b) Message Charge, per local message.....\$ .12
- (2) Refer to Section 7.6.9 of the Facilities for Intrastate Access Tariff for specific regulations.
