Ms. Beth W. Salak, Director
Division of Competitive Markets and Enforcement
Florida Public Service Commission
2540 Shumard Oak Boulevard
Tallahassee, FL 32399-0850

Dear Ms. Salak:

Attached are revised tariff pages filed to become part of the Verizon Florida LLC General Services Tariff.

Section A5 Charges Applicable Under Special Conditions
3rd Revised Page 7.2

The purpose of this filing is to clarify the responsible party when conduit is installed in a new development prior to the installation of fiber by Verizon.

If you require additional information, please call Carlton Ball at (813) 483-2529.

Sincerely,
David M. Christian
Vice President
Regulatory Affairs Florida

DMC:rt

A5. CHARGES APPLICABLE UNDER SPECIAL CONDITIONS

A5.4 Underground Construction in Connection with Providing Distribution Facilities in Subdivisions in Advance of Service

- .1 Underground distribution facilities will be provided by the Company in subdivisions in advance of service when satisfactory arrangements can be made with the contracting party concerned and where such facilities are practical from a service demand stand-point.
- .2 When underground distribution facilities are provided, the contracting party concerned must agree to furnish and record rights-of-way and easements in accordance with FPSC rules applicable for "Residential Telephone Underground Extensions."
- .3 When power lines are also be placed underground, the placing of power facilities in relation to telephone facilities must be according to Company specifications.
- .4 The Company may require the conduit to be constructed by or at the expense of the developer, builder or subdivider. (C)
- .5 Underground conduit shall be constructed in accordance with plans and/or specifications furnished by the Company, and shall be approved by the Company before back-filling. (C)
- .6 Wire or cable installed in conduit will be maintained and replaced, as required, by the Company when the conduit has been inspected in place and approved by the Company.
- .7 The subscriber, subdivider, builder, or developer shall furnish the Company an accurate plot plan of the subdivision and any subsequent additions to a subdivision.
- .8 Any damages to the lines, equipment, or facilities of the Company caused by the subscriber, subdivider, builder, developer, their agents, or representatives shall be repaired by the Company and charges associated with such repairs shall be paid by the subscriber, subdivider, builder, or developer.
