**RE: Quincy Telephone Company: Add VTN Service
Amendment filing - Replace revised tariff pages**

Dear Ms. Salak:

Enclosed are the following tariff sheets:

Section A13 Original Sheets 62 and 63

On April 10, 2006, Quincy Telephone Company submitted a filing to the Florida Public Service Commission to add the Virtual Telephone Network (VTN) service to their tariff offerings. After careful review, the Company realized the rates submitted with that filing were inaccurate and would like to replace the Original Sheets 62 and 63 with the attached tariff pages.

The purpose of this filing will be to add the correct rates, add another line to the rates table to indicate that Individual Case Basis (ICB) may be provided by the Company for VTN customers with 100 or more lines; and to add the Digital Key line rates that were missing with the original filing.

The proposed effective date is April 25, 2006.

If you have any questions, please call me at (608) 664-4186.

Sincerely,

A handwritten signature in cursive script that reads "Lorraine Murphy".
