RE: Quincy Telephone Company: ACS and CCS Rate Increase

Dear Ms. Salak:

Enclosed are the following tariff sheets:

Section A13 Sixth Revised Sheet 5.1 Second Revised Sheet 41

The purpose of this filing is to increase some of the ACS and CCS feature rates. Rate increases will affect both Residential and Business customers. Because some of the rates will now differ for Residential and Business customers, the rates will be separated in the tariffs.

If you have any questions, please call me at (608) 664-4186.

Sincerely,

Lorraine Brennan Administrator - Tariffs
