EXECUTIVE SUMMARY

Introduction:

AT&T has completed its work for the St. Johns realignment project addressed in Docket No. 050179-TL. This tariff moves portions of the Ponte Vedra Beach Exchange to the St. John's Exchange. In addition, this tariff corrects an oversight of AT&T's earlier filing, T070034 filed on January 17, 2007, which moved a portion of the Jacksonville Exchange to St. Johns. In that January filing, the St. Johns maps included a move of a portion of the Green Cove Springs Exchange to St. Johns, which was not completed until later in the year. This filing will correct the oversight of not updating the Green Cove Springs Exchange maps to reflect the portion moved in the earlier Jacksonville filing. Approximately, 1,000 customers were moved in the Ponte Vedra Beach and Green Cove Springs portions of the realignment.
