RE: **TL727** 

Dear Ms. Salak:

Attached for filing, please find the following revised pages for the Embarq Florida, Inc. General Exchange Tariff. This filing is submitted with a proposed effective date of September 28, 2006. The Company's tariffs are available on its website at <a href="https://www.embarq.com/tariffs">www.embarq.com/tariffs</a>.

Supplement Section A3 Third Revised Sheet 23
Third Revised Sheet 92

This filing is being submitted to request an exchange boundary transfer from the Trilacoochee exchange to the Dade City exchange. This transfer involves the development known as Spirit Hills, consisting of 21 lots. The present boundary bisects the development, rendering provision of service difficult. This request is sought to permit revisions to the exchange boundaries so that they will not divide the development, thereby rendering the boundaries more usable in the provision and administration of service. There are currently two subscribers inside the Trilacoochee exchange being served cross boundary from the Dade City exchange. There will be no changes to these customers' service. There are no other existing customers in the area to be transferred; therefore local service rates and calling plans will not be affected by the proposed change.

Commission consideration and timely approval of these pages are respectfully requested. If you have questions or need additional information regarding this filing, please call Nancy Schnitzer at 850-599-1276.

Sincerely,

Mary L. Matthews
