LOCAL EXCHANGE SERVICES

SECTION 1 - DEFINITION OF TERMS (CONT'D.)

Call Selector: Provides a distinctive ringing pattern for calls received from up to six different telephone numbers. By dialing an access code, the user can create a screening list of up to six telephone numbers. Calls received from all six of these numbers will receive the distinctive ringing pattern.

Call Tracing: Enables the user to initiate an automatic trace of the last call received. By dialing an access code, the network will record the calling number, time it was received and time the trace was activated.

Call Waiting: Provides the User with a burst of tone to indicate that another call is waiting. The second call can either be answered by flashing the switchhook or hanging up the phone and being rung back to the caller.

Call Waiting Deluxe: Call Waiting Deluxe includes the functionality of the Call Waiting feature and provides several additional call options.

Class of Service (COS): Used to prevent a Station from dialing certain codes and numbers.

Company: DeltaCom, LLC d/b/a EarthLink Business, an Alabama corporation, which is the issuer of this Price List. (T)

LOCAL EXCHANGE SERVICES

SECTION 2 - REGULATIONS (CONT'D.)

2.13. General Application of Service Charges

- (a) Except as provided hereinafter, all classes of local exchange services are subject to service charges.
- (b) All customers will be charged a monthly account maintenance fee of \$7.95. The monthly account maintenance fee will be waived if the customer elects to obtain their call detail on-line in lieu of receiving paper copies of their call detail. (I)

2.13.1 Application of Line Connection Charges

- (a) The Line Connection Charge (First Line and/or Additional Line) applies for establishing an exchange access line or trunk. The charge includes service ordering, central office work, exchange access line work and a standard voice miniature six position network interface for simple type services which do not require other network interfaces.
- (b) The Line Connection Charge First Line is applicable if the customer is requesting only one line or for the first line if multiple lines are being ordered.
- (c) On multiple line orders, the Line Connection Charge for each Additional Line applies for each additional line ordered after the first line per customer request.
- (d) The Line Connection Charge applies for the connection of an exchange access line or trunk. The charge is applicable per exchange access line or trunk.

2.13.2 Application of Line Change Charges

- (a) The Line Change Charge (First Line and/or Additional Line) applies per line to miscellaneous customer requested changes on existing service for, but not limited to, number change and suspend/restore.
- (b) The Line Change Charge is applicable if the customer is requesting changes on only one line or for the first line if changes are being made on multiple lines.
- (c) On each multiple line request, the Line Change Charge Additional Line applies for each additional line requested changed after the first line.
