4.3.2 Toll Service

Provides facilities to complete interLATA, intrastate or intraLATA, interexchange calls between two points. Customer makes call by dialing directly or with operator assistance. Direct Dialing includes 1 + Area Code (where necessary) + telephone number, or, in some cases for IntraLATA, users must access the Company's network by dialing 1010678 then 1 + Area Code + Number. For operator assistance a customer dials O only, O + telephone number or O + NPA + telephone number for IntraLATA calls.

No monthly recurring charges or minimum monthly billing requirements for outbound long distance calls will apply for those customers using Birch for both local and long distance service. A minimum monthly billing requirement of \$4.95/account per month will apply for customers using Birch for long distance service only.
