# DEFINITIONS

**Billing** - A complaint concerning the amount a customer has been billed or any rule or tariff having to do specifically with the billing of the customer's account.

**Case** - A contact that is logged into the PSC's CATS database. A case may be logged in as a complaint or as an information request.

**Complaint** - A form of case that involves a substantial unresolved objection regarding a regulated utility, as it relates to charges, facility operations, or the quality of the services rendered, the disposal of which requires an investigation and/or analysis by PSC staff.

**Complaint Activity** - The total number of complaints logged with regulated utilities or resolved within a given period of time.

**Complaints Logged** - The number of complaints received from customers filed with the utilities.

**Complaints Resolved** - The number of complaints handled by the PSC staff, which determines whether a utility is in apparent violation or apparent nonviolation of PSC rules, company tariffs, or policies.

**Consumer Activity Tracking System (CATS)** - A database system that tracks complaints and information requests filed with the Florida Public Service Commission.

**Contact** - A communication with the Commission either in writing (letter, fax, or e-mail), in person, or by telephone relating to a complaint or an information request that is handled by consumer complaint staff. A contact may be logged into CATS as a new case or it may not be logged as a new case because it is a follow-up to an existing case, is a misdialed call or the caller hangs up during the call.

**Information Request** - A form of case that involves providing facts, reference material or other data but does not involve a substantial unresolved objection by a consumer regarding a regulated utility.

**Service** - A complaint having to do with the delivery of the service provided by the utility, exclusive of billing concerns.

**Telephone Transfer Connect (Warm Transfer)** - A call to the PSC can be directly transferred to the utility in question, if the consumer has not yet expressed his concerns to that utility.
